

U.S. Census Bureau Jobs

The City of Temple is helping the U.S. Census Bureau get the word out about jobs that are available in the Temple area. Conducting the census is a huge undertaking and the Census Bureau needs to recruit Census Takers (also known as Enumerators), Census Crew Leaders and Assistants, Census Recruiting Assistants and Census Clerks. These positions offer good pay, flexible hours and paid training.

More information, including a practice test, is available at www.2010censusjobs.gov, or you may call the toll-free Census Jobs line at 1-866-861-2010.
